The Update

Dear Melanie,

While they say April showers bring May flowers, May has been no slouch in the rain department on it's own. Thankfully that hasn't stopped folks from shopping on Market Street. This is good because we recently updated our menu to feature light white wines that work superbly with the hot weather and the foods that go along with it.

We at grapevine believe strongly in the concept of "Shop Local" and to that end, we're attempting to source what we can as locally as possible. Our breads, for instance, are now coming from BreadSmith (2000 Hwy 160 W., Fort Mill, 803-547-3900). This is in addition to the compotes we feature on our Passion8 Goat Plate from Passion8 Bistro. In the future we expect to feature more from local businesses, so stay tuned.

Marie's Corner ~

Warmer weather leads to lighter wines and a couple we've added to the menu this spring will add a bit of zest to the Pool or Patio...

Marie's Picks for June ~

Broadbent Vinho Verde -

Literally Portugese for "Green Wine", it hints at the slightly green coloring of this juicy, tart summer sipper. Slightly fizzy it goes well with seafood or on it's own (preferably with a friend to share a glass or two!)

\$ 12.25/btl (Also served at the bar)

Orvieto Classico Abbocato 2007

Nose of peaches and flowers, high acidity with a touch of sweetness on the palate.
\$14.99/btl (Also served at the bar)

"Men are like fine wine. They all start out like grapes and it's womens jobs to stomp on them and keep them in the dark until they mature into something you'd like to have dinner with."
